Jennifer Dianos, Assistant to the City Manager
COVID-19 Public Information Team

October 13, 2020

Objective

Objective: Provide an update to the general public regarding COVID-19.

Agenda

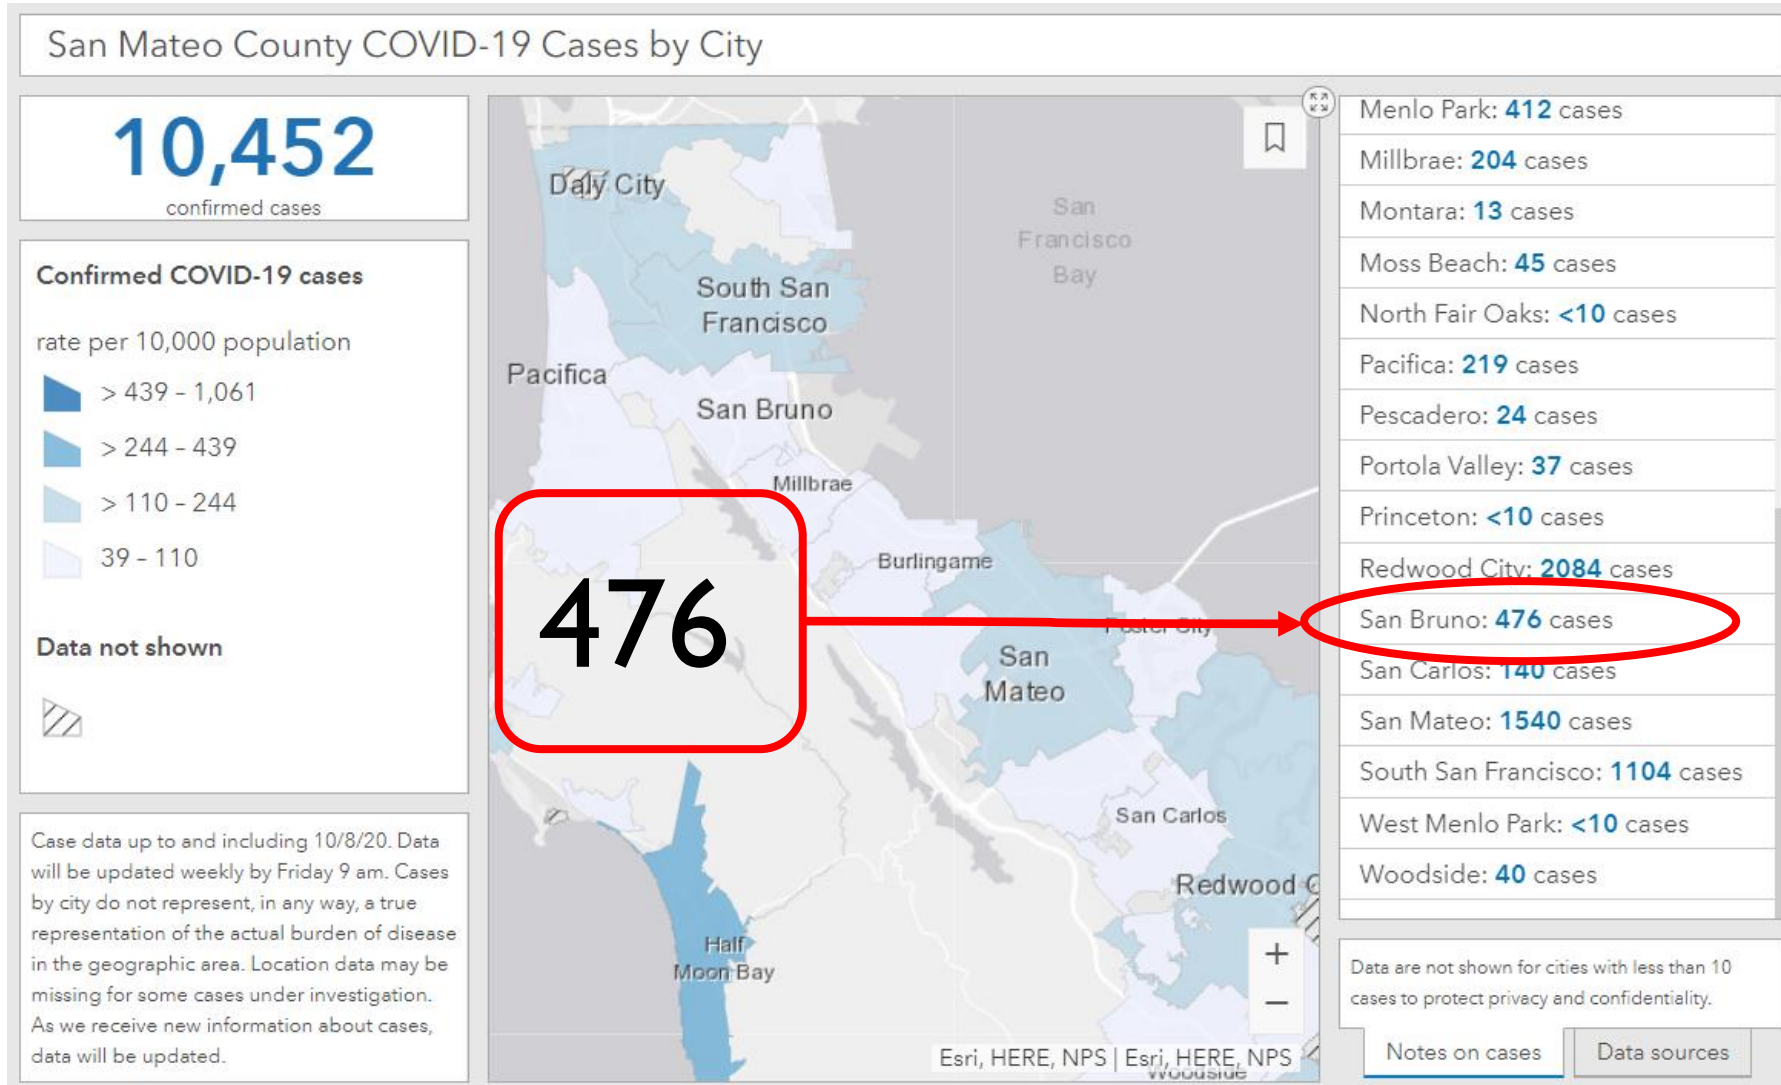

- I. County Statistics
 - i. San Bruno Positive Cases
 - ii. County Dashboard
- II. Blueprint for a Safer Economy
 - I. Testing
- III. Play It Safe / Halloween Guidance
- IV. Small Business Support
- V. Fall Community Clean Up Drive Through Drop Off
- VI. Stay Connected
- VII. Questions

COUNTY STATISTICS

County COVID-19 Statistics

County COVID-19 Statistics

San Mateo County COVID-19 Data Dashboard

Case data up to and including October 12, 2020

Total Cases

10,601

R-eff

0.97

Cases by Sex

Female	5329
Male	5270
Other	1
Unknown	1

- R-eff is the average number of people an infected person will infect
- Represents rate at which COVID-19 is spreading
- Value less than 1 means decreasing spread
- Value greater than 1 means increasing spread
Source: CovidActNow for 9/30, accessed via [CalCat](#) on 10/7

Total Cases by Day

Total Deaths

155

Deaths by Sex

Female	79
Male	76

Cases by Age Group

Cases by Race/Ethnicity

New Cases by Day

Deaths by Age Group

Deaths by Race/Ethnicity

Because of limited testing capacity, the number of cases detected through testing represents only a small portion of the total number of likely cases in the County. COVID-19 data are reported as timely, accurately, and completely as we have available. Data are updated as we receive information that is more complete and will change over time as we learn more. Cases are lab-confirmed COVID-19 cases reported to San Mateo County Public Health by providers, commercial laboratories, and academic laboratories, including reporting results through the California Reportable Disease Information Exchange. A lab-confirmed case is defined as detection of SARS-CoV-2 RNA in a clinical specimen using a molecular amplification detection test. Cases are counted by date the lab result was reported. Deaths reported in this dashboard include only San Mateo County residents; death data last updated October 12, 2020.

BLUEPRINT FOR A SAFER ECONOMY

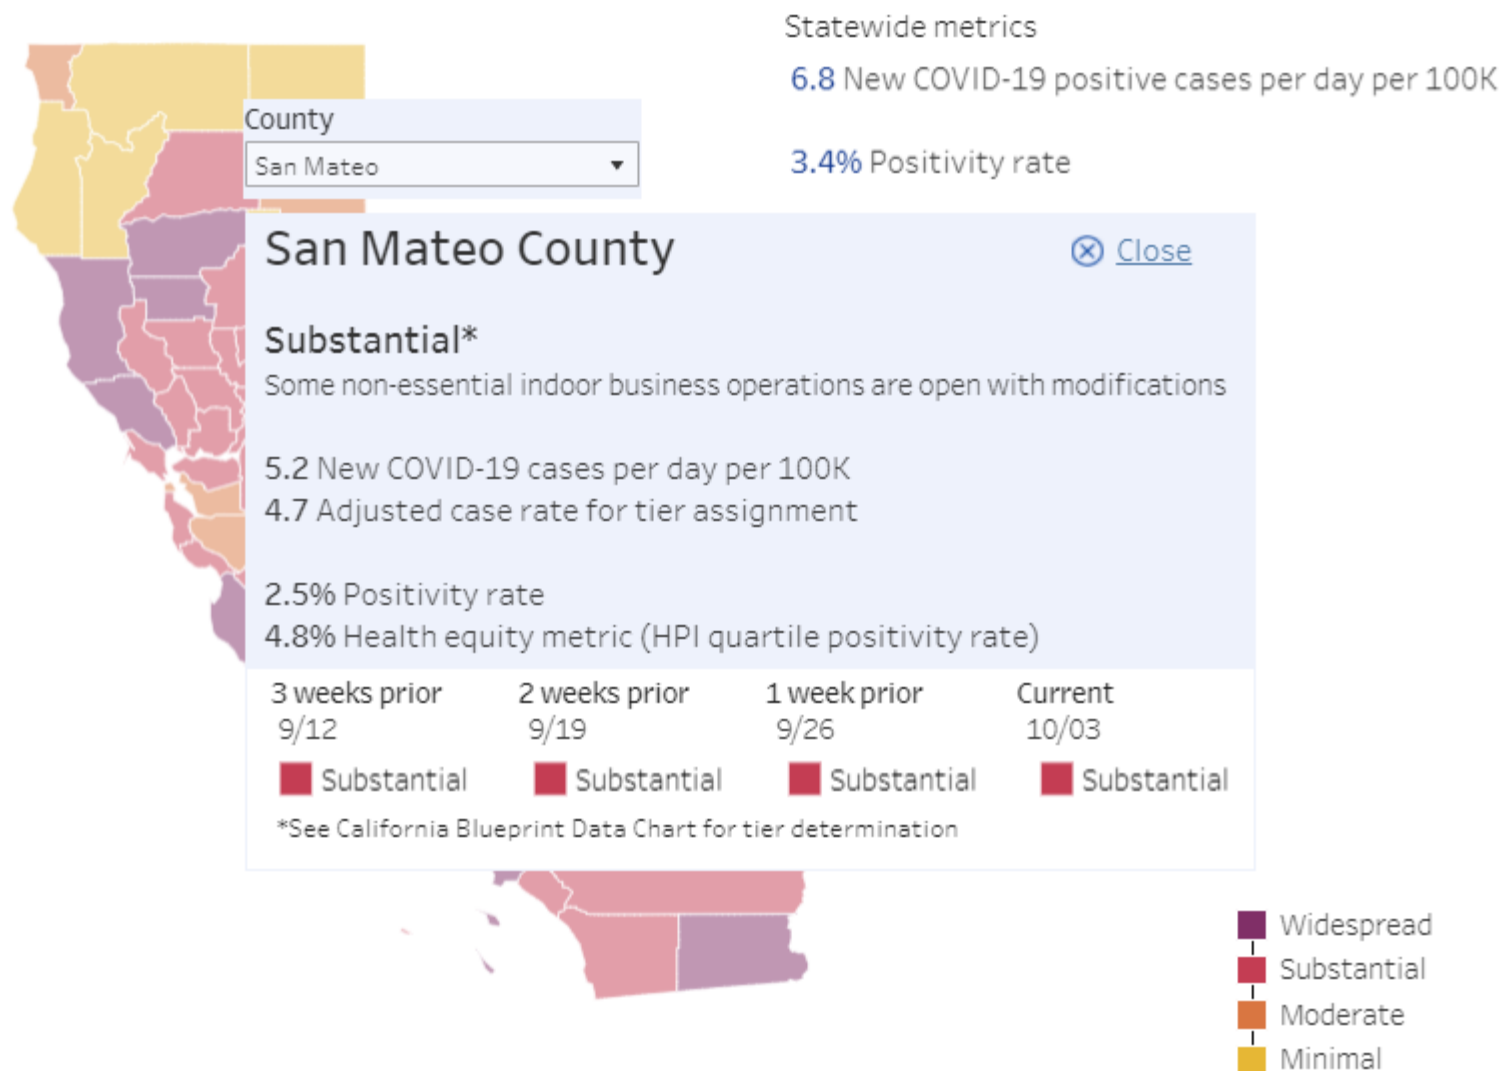

Blueprint for a Safer Economy

Blueprint Metrics as of Oct 6	Tier 1 (Widespread)	Tier 2 (Substantial)	Tier 3 (Moderate)	Tier 4 (Minimal)
Adjusted Case Rate per 100,000	>7	4 to 7	1 to 3.9	<1
Overall Test Positivity Rate	>8%	5% to 8%	2% to 4.9%	<2%
Lowest HPI Quartile's Test Positivity Rate <i>(excludes rurals)</i>	>8.00%	≤8.00%	<5.25%	<2.2%

Flu Shot

Your actions save lives

Wear a mask, wash your hands, keep your distance.

Flu season is around the corner

Simultaneous outbreaks of flu and COVID-19 will drain the state's health care resources. Getting a flu shot protects you and your family.

[Find a flu shot near you](#)

PLAY IT SAFE / HALLOWEEN GUIDANCE

Play It Safe

- ▲ Face masks over the mouth and nose are required for everyone 2 years of age or older with caregiver supervision at all times to ensure face mask use.
- ▲ Do not use the playground when different households are unable to maintain a physical distance of 6 feet or when the capacity limit has been reached.
- ▲ Caregivers must monitor to keep adults and children from different households at least 6 feet apart.
- ▲ Consider coming on different times or days to avoid wait times and potential crowded times.

Play It Safe (Cont)

- ▲ No eating or drinking in playground, to ensure face masks are worn at all times.
- ▲ Wash or sanitize hands before and after using the playground.
- ▲ Elderly and persons with underlying medical conditions should avoid playground when others are present.
- ▲ Limit visit to 30 min per day when others are present

Play It Safe

Halloween Guidance

- ▲ San Mateo County Health Issued guidance outlines safer ways to celebrate Halloween and Día de los Muertos:

Safer Alternatives

- Spend time with people from your same household
- Carve pumpkins
- Movie night at home
- Decorating at home
- Dressing up at home
- Online parties or contests
- Playing music at home...

Higher Risk – Strongly Discouraged

- Door to door trick-or-treating
- “Trunk or Treating”...

Higher Risk – Not Permitted

- Gatherings, events or parties with non-household members
- Carnivals
- Festivals
- Live entertainment
- Hayrides
- Large outdoor celebrations...

SMALL BUSINESS SUPPORT
